We made a set of caps for the NEWARK EAGLES on which we neglected to put the letter "E" on the caps. This order was billed through the Horace-Partridge, Philadelphia office.

Please contact Marge and find out what color the letter is to be; also refer to the original order for the quantity of caps involved.

I am sending a copy of this note to Horace-Partridge and suggesting they immediately contact Mrs. Manley and arrange to have these sewed on no charge.

I don't know how this mistake occurred - whether the order didn't specify putting on the letter "E" or whether we omitted it.
